Dear New Patient:

Welcome to the Web of Life Wellness Center!

Thank you for your interest in exploring the benefits of Integrative Medicine. Your interest reflects a desire to become an active participant in your own health care. Integrative medicine is an evolutionary process that weaves together a wide variety of healing modalities, which may range from conventional western medicine to acupuncture and herbology.

Our goal is to assist you on your path to optimal well-being. Because this perspective seeks to uncover root causes of disease while simultaneously treating the symptomatic branches, it requires a thorough examination of one's current situation, lifestyle and history. This comprehensive approach to health requires commitment, time and energy from all of us.

The forms we have included will save valuable time in your appointment when completed thoughtfully and thoroughly. In addition to organizing and gathering information these questions are meant to increase your awareness of your body, mind, emotions and habits. The experience of vibrant well-being can never be achieved in isolation from the entirety of your life. All of our choices, from the food we eat to our financial investments, ultimately affect our health and well-being.

We value you as our patient and look forward to serving you in your journey towards wellness.

Sincerely,

Todd Mangum, M.D., PC

P.S. These forms are confidential. However, if for any reason, you feel uncomfortable answering any questions or having specific written information in your medical records, please leave those specific sections blank and discuss them with me during your appointment. All information that is written or recorded in your chart becomes part of your permanent record and cannot be changed.

YOUR FIRST VISIT WITH DR. TODD MANGUM PATIENT CONTRACT

- (1) It is mandatory that you completely fill out the NEW PATIENT PACKET in its entirety as indicated in the cover letter and bring it with you the day of your appointment. For phone consults, please email, mail or drop it off ahead of time.
- (2) Please bring copies of any/all relevant medical test results conducted (especially in the last 12 months). If you are having them sent, our fax is: 801.531.8350.
- (3) Bring any medications, vitamins or nutritional supplements you may be taking, including any you take intermittently.

NOTE: If you arrive more than fifteen (15) minutes late for your scheduled appointment time, or do not have your New Patient Packet completed, it will be necessary to reschedule your appointment as it is not possible for the doctor to cover everything required in a shortened appointment or with inadequate information. If this occurs, you will be expected to pay for the missed appointment as per our Cancellation & Late Arrival Policy (see below).

EMERGENCY COVERAGE: IN CASE OF AN EMERGENCY, DIAL 911 OR GO TO YOUR LOCAL HOSPITAL EMERGENCY ROOM OR THE CRISIS UNIT OF YOUR LOCAL MENTAL HEALTH CENTER. Please be advised, our office does NOT handle urgent or emergency care and we do not check messages after hours or on weekends.

PATIENT INTIALS: _____

INSURANCE COVERAGE: DR. MANGUM IS NOT A LISTED PROVIDER WITH ANY INSURANCE COMPANY.

Some insurance companies, however, do cover our services as an Out-of-Network provider. We will generate a "Super Bill" receipt at the end of your visit, which you can send to your insurance company for possible reimbursement. This Super Bill can also be kept as proof of services for those who pay with an HSA and for those who keep track of their medical expenses for tax purposes.

IF YOU HAVE INSURANCE COVERAGE your first step is to determine whether your plan has any Out-of-Network benefits. If you are uncertain, we strongly advise you to call your insurance company prior to your visit to find out more. When you call your insurance company please tell them the following:

- You are coming in for a Comprehensive First Visit
- Dr. Mangum is an OUT-OF-NETWORK provider
- The billing code for the standard 90-minute visit is 99204

As a courtesy, our office provides copies of the patient check-out sheet, lab results and super Bill when you check out. Please create a file and keep track of all these copies from our office as there will be a charge for duplicates. Remember, your insurance coverage is a contract between you and your insurance carrier. If your insurance company requests additional information from our office to process your claim you will be responsible for additional fees. The cost for both processing the insurance claims and creating duplicates will be dependent upon the time required as per our Convenience Fees (see below).

MEDICARE OR MEDICAID: Dr. Mangum is NOT a provider for Medicare or Medicaid; therefore, you cannot submit a Super Bill to them or to your supplemental insurance if you have one. Medicare and Medicaid, however, often cover some blood work and other labs ordered by our office. Medicare/Medicaid patients must sign an ABN form in addition to this contract.

PATIENT INTIALS: _____

PHONE MESSAGE POLICY: While we do our best to answer every call, with an extremely busy office, patients often need to leave a voicemail message. **It may take 72 business hours for us to get back to you. Do NOT leave multiple messages.** Multiple messages from the same patient bog down our system and delay our ability to promptly respond even further.

FEES MAY CHANGE WITHOUT NOTICE

FEES AND BILLING: OUR PAYMENT POLICY IS FEE-FOR-SERVICE. Payment in full is due at the time of your visit:

FEE SCHEDULE	LENGTH OF VISIT	COST
New Patient Comprehensive Consultation	90 minutes	\$450
Comprehensive Follow Up Consultation	31-45 minutes	\$200
Follow-Up Consultation	16-30 minutes	\$155
Follow-Up Consultation	11-15 minutes	\$115
Established Patient Acupuncture	45 minutes	\$200
Extended Comprehensive Follow-up	46-60 minutes	\$250

If you are scheduled for a 45-minute follow-up appointment, but only use 15 or 30 minutes, you will only be charged for the time spent with the doctor. This same policy applies to all appointments. The converse is also true. If you schedule a 15-minute follow-up appointment, but spend more than 15 minutes with the doctor, you will be charged for the 30-minute appointment.

NOTE: A credit card is required at the time an appointment is made. To ensure the credit card number is accurate and the card is valid, we will run a \$1 fee at the time of booking. This card will be charged for missed appointments based on our Cancellation & Late Arrival Policy (see below). The reason for this is to ensure patients call and notify our office of cancellations in a timely fashion and to cover the expense of those who are a "NO SHOW."

CANCELLATION & LATE ARRIVAL POLICY: Please be aware, Dr. Mangum does not overbook or double book appointments. In order to fill and accommodate those on the waiting list, we require ample notification when rescheduling or canceling an appointment. It is important to us that you acknowledge our cancellation policy. Your initials and signature below indicate your acknowledgement and acceptance of our Cancellation & Late Arrival Policy.

PLEASE BE ADVISED:

"Sufficient Notice" of appointment cancellation is 24 hours or more = NO charge.

"NO SHOW's" will be billed 100%.

Patients arriving fifteen (15) minutes or later, to their appointment, will be considered a "NO SHOW" and billed at 100%.

The fifteen-minute rule applies to phone appointments.

The fifteen-minute rule applies even if you call to let the office know you are running late.

It is not possible for the doctor to cover everything required in a shortened appointment.

OUR CANCELLATION & LATE ARRIVAL POLICY APPLIES TO ALL PATIENTS, INCLUDING FIRST TIME PATIENT VISITS.

This Policy applies regardless of the reason for your cancellation.

PATIENT INITIALS: _____

ADDITIONAL COSTS: Additional costs during your visit may include items available in our Supplement & Herbal Pharmacy (such as: vitamins, nutritional supplements, Chinese and Western herbs) and lab fees if choosing the pre-pay option. These items are not reimbursable by insurance, but an HSA or flex-spending account may be used to cover the cost of these expenses, in addition to the cost of your visit. This type of receipt can also be kept to-track medical expenses for tax purposes.

Costs beyond the first appointment may include: additional supplements purchased from our online partners or your favorite health food or high-quality supplement retailer, and any lab tests that will be paid for at the time they are completed such as: specialized blood tests, saliva, stool, urine or hair analysis.

PHONE APPOINTMENTS: Phone appointments are available for follow-up consultations for out-of-town patients or in special circumstances. Phone appointments are made like regular appointments and will be billed at the same fee schedule as above. For phone appointments, we will call you at your scheduled appointment time. If it's long distance, we will then hang up and you will call our office back. NOTE: You will need to provide a credit card number prior to your phone appointment, which will be charged following your appointment. Our Cancellation & Late Policy apply to phone appointments as well.

CONVENIENCE FEES: These fees apply whenever a patient; calls, emails or shows up at the office with a question or request outside of a scheduled appointment. The cost for this is \$40 for five (5) minutes or less, \$80 for ten (10) minutes or less and \$120 for fifteen (15) minutes or less. This covers time required by the doctor and staff to review charts or records, make an assessment, answer questions, complete forms, change a prescription, etc. The convenience fee can save you from having to come in when you may require only slight adjustments and also allow something to be completed sooner than an appointment may be available.

CONFIDENTIALITY: Professional ethics as well as the laws of the State of Utah (as well as other States) require that we honor your right to privacy and the confidentiality of our work together. We will not provide information about you to others without your informed consent and written permission. We are, however, required by law, to report clear and present danger to human life and any form of child abuse. You will be given a HIPPA form that must also be signed.

I have read the above and agree to follow the parameters of this contract.

VITAL INFORMATION REGARDING ALL LAB WORK

***** Please be advised *****

If you fail to read the following and fail to obtain the necessary information (and go to the wrong lab, for example) there is NOTHING our office can do to fix the problem after the fact. Failure to complete this form could cost you THOUSANDS of dollars!

Please arrive to your appointment prepared with this information!

**** IF YOU DO NOT HAVE INSURANCE (or you have a high deductible) we recommend the PRE-PAID OPTION for blood work (through our office) as this can result in substantial savings for you. The cost will vary based on which labs are ordered. You are expected to pay prior to receiving the lab requisition (if you have a phone appointment, the requisition will be held until payment is received.) Pre-paid labs are NOT eligible for reimbursement by insurance companies. Pre-paid labs are NOT eligible for refund, one paid to our office. Pre-paid labs will need to be drawn within six (6) months.**

**** IF YOU HAVE INSURANCE IT IS ESSENTIAL TO DETERMINE WHICH LAB IS IN-NETWORK OR PREFERRED BY YOUR INSURANCE COMPANY prior to your visit with Dr. Mangum. It is also important to determine: 1) the amount of your deductible, 2) if your plan covers labs before or after your deductible is met, 3) whether you have a co-insurance or a co-pay, and 4) what that amount is. Please call your insurance company to find out all this specific information. Our office cannot answer these questions. Finding out this information ahead of time can potentially save you a significant amount of money.**

**** IT IS ALSO VITAL that you check to see if your insurance plan will cover labs that are ordered by an Out-of-Network provider, AND which labs are "In-Network" for your insurance provider i.e., Quest Diagnostics, LabCorp, IHC).**

THE BELOW INFORMATION IS NEEDED FOR ALL PATIENTS (MEDICARE INCLUDED):

- (1) Who is your insurance company? _____
- (2) What lab(s) are covered/preferred by your insurance plan? _____
- (3) Will your insurance cover labs before the deductible is met? _____
- (4) What is your deductible? _____
- (5) Have you met (or do you expect to meet) your deductible for the calendar year? _____
- (6) Are in network labs covered if an out-of-network doctor orders them? _____

Your signature indicates you have carefully read the above information and **accept full responsibility** for obtaining this information prior to your appointment with Dr. Mangum. **This strict new policy has become necessary due to so many patients arriving unprepared, without this information!** Coming unprepared wastes valuable time with the doctor. Thank you for understanding and for your full attention to this important matter.
