

Dear New Patient:

Welcome to the Web of Life Wellness Center!

Thank you for your interest in exploring the benefits of Integrative Medicine. Your interest reflects a desire to become an active participant in your own health care. Integrative medicine is an evolutionary process that weaves together a wide variety of healing modalities, which may range from conventional western medicine to acupuncture and herbology.

Our goal is to assist you on your path to optimal well-being. Because this perspective seeks to uncover root causes of disease while simultaneously treating the symptomatic branches, it requires a thorough examination of one's current situation, lifestyle and history. This comprehensive approach to health requires commitment, time and energy from all of us.

The forms we have included will save valuable time in your appointment when completed thoughtfully and thoroughly. In addition to organizing and gathering information these questions are meant to increase your awareness of your body, mind, emotions and habits. The experience of vibrant wellbeing can never be achieved in isolation from the entirety of your life. All of our choices, from the food we eat to our financial investments, ultimately affect our health and well-being.

We value you as our patient and look forward to serving you in your journey towards wellness.

Sincerely,

Todd Mangum, M.D., PC

P.S. These forms are confidential. However, if for any reason, you feel uncomfortable answering any questions or having specific written information in your medical records, please leave those specific sections blank and discuss them with me during your appointment. All information that is written or recorded in your chart becomes part of your permanent record and cannot be changed.

Todd A. Mangum, M.D., PC 770 East South Temple, Ste. 100, Salt Lake City, Utah 84102 801.531.8340, F 801.531.8350 THEPEOPLE@WEBOFLIFEWC.COM, WEBOFLIFEWC.COM

EMERGENCY COVERAGE: IN CASE OF AN EMERGENCY, DIAL 911 OR GO TO YOUR LOCAL HOSPITAL EMERGENCY ROOM OR THE CRISIS UNIT OF YOUR LOCAL MENTAL HEALTH CENTER. Please be advised, our office does NOT handle urgent, or emergency care and we do not check messages after hours or on weekends.

For these and other reasons we highly encourage all patients to maintain care with a Primary Care Provider.

PATIENT INTIALS: ____

INSURANCE COVERAGE: DR. MANGUM IS NOT A LISTED PROVIDER WITH ANY INSURANCE COMPANY.

Some insurance companies, however, do cover our services as an Out-of-Network provider. We will generate a "Super Bill" receipt at the end of your visit, which you can send to your insurance company for possible reimbursement. This Super Bill can also be kept as proof of services for those who pay with an HSA and for those who keep track of their medical expenses for tax purposes.

IF YOU HAVE INSURANCE COVERAGE your first step is to determine whether your plan has any Out-of-Network benefits. If you are uncertain, we strongly advise you to call your insurance company prior to your visit to find out more. When you call your insurance company please tell them the following:

- You are coming in for a Comprehensive First Visit
- Dr. Mangum is an OUT-OF-NETWORK provider
- The billing code for the standard 90-minute visit is 99204

As a courtesy, our office provides copies of the patient check-out sheet, lab results and Super Bill when you check out. Please create a file and keep track of all these copies from our office as there will be a charge for duplicates. Remember, your insurance coverage is a contract between you and your insurance carrier. If your insurance company requests additional information from our office to process your claim you will be responsible for additional fees. The cost for both processing the insurance claims and creating duplicates will be dependent upon the time required as per our Convenience Fees (see below).

<u>MEDICARE OR MEDICAID</u>: Dr. Mangum is NOT a provider for Medicare or Medicaid; therefore, you cannot submit a Super Bill to them or to your supplemental insurance if you have one. Medicare and Medicaid, however, often cover some blood work and other labs ordered by our office. Medicare/Medicaid patients must sign the Medicare Opt Out Private Contract form in addition to this contract.

PATIENT INTIALS: _____

OUR CANCELLATION & LATE ARRIVAL POLICY APPLIES TO ALL PATIENTS, INCLUDING FIRST TIME PATIENT VISITS. This Policy applies regardless of the reason for your cancellation.

PATIENT INTIALS: _____

ADDITIONAL COSTS: Additional costs may include recommended supplements, lab fees if choosing the pre-pay option and any lab tests that will be paid for at the time they are completed such as: specialized blood tests, saliva, stool, urine or hair analysis. These items are not typically reimbursed by insurance, but an HSA or flex-spending account may be used to cover these expenses.

PHONE APPOINTMENTS: Phone appointments are available for follow-up consultations. Phone appointments are made like regular appointments and will be billed at the same fee schedule as above. For phone appointments, we will call you at your scheduled appointment time. NOTE: You will need to provide a credit card number prior to your phone appointment, which will be charged following your appointment. Our Cancellation & Late Policy applies to phone appointments as well.

<u>CONVENIENCE FEES</u>: These fees apply whenever a patient; calls, emails or shows up at the office with a question or request outside of a scheduled appointment. The costs range from \$40 on up depending on the time required to fulfill the request. If the request requires more than 15 minutes you will likely be encouraged to schedule an appointment. The fee covers the time required by the doctor and staff to review charts or records, make an assessment, answer questions, complete forms, change a prescription, etc.

<u>CONFIDENTIALITY</u>: Professional ethics as well as the laws of the State of Utah (as well as other States) require that we honor your right to privacy and the confidentiality of our work together. We will not provide information about you to others without your informed consent and written permission. We are, however, required by law, to report clear and present danger to human life and any form of child abuse. You will be given a HIPPA form that must also be signed.

I have read the above and agree to follow the parameters of this contract.
